

SALMAN RAFIQ CHOTTANI

Web Developer / Software Engineer

salmanrafiqchottani@gmail.com

<https://github.com/Salmaan12>

salmaan12.github.io/portfolio_site

The keen interest draws me towards the web development since my adult life.

One of the main thing included is web development in the list.

Not only web development has drawn and developed interest, but more skills has caught my feelings, playing video games, took a participation on sports as well cricket, football and more.

Testimonials

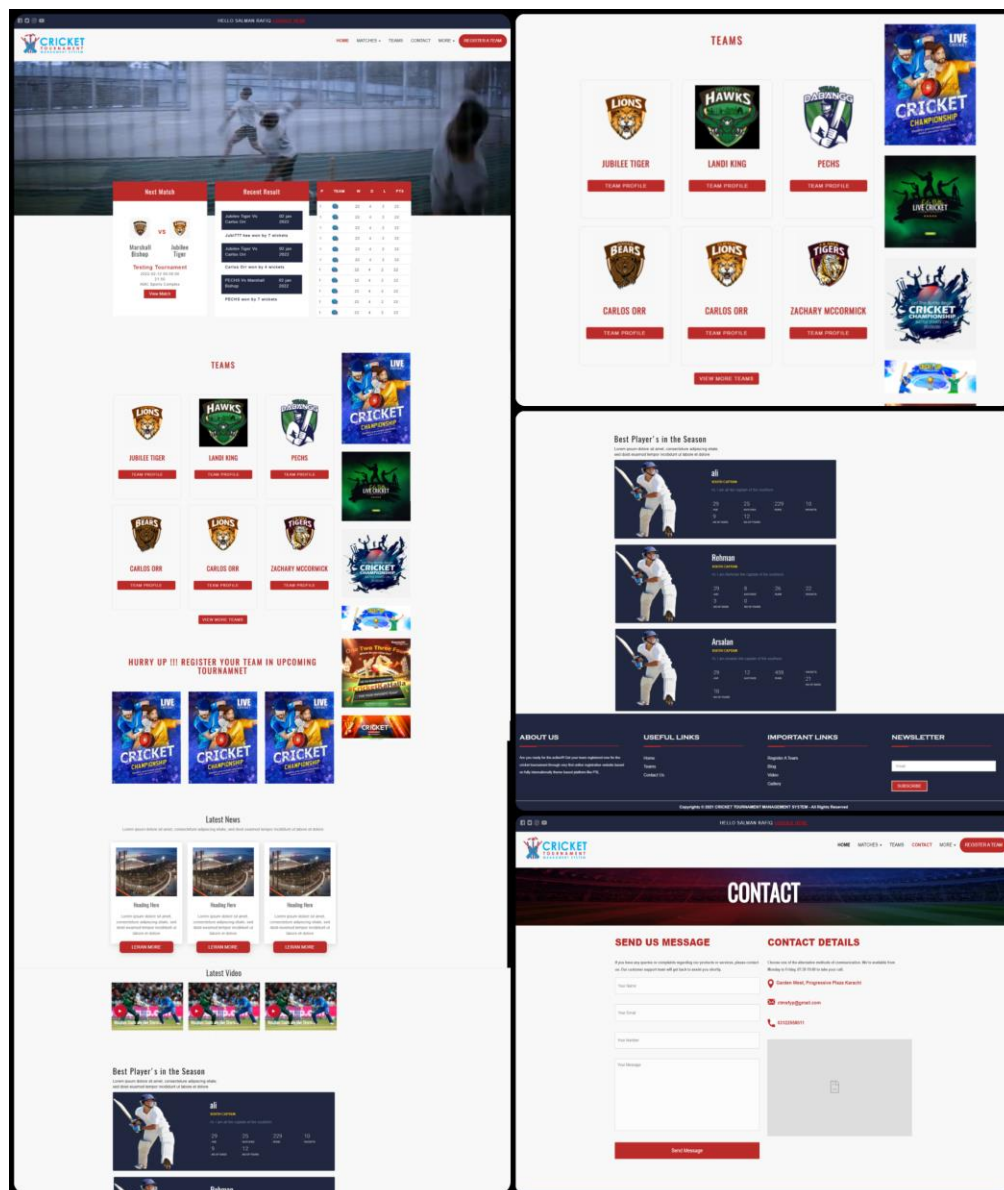

- **Salman has been working with PAZ for 2 years now. He started as an internee and quickly made his way to the top. One of the best qualities of Salman is that he has a can-do attitude, where he is willing to go above and beyond to get the work done.**

All in all, I highly recommend Salman! The guy is a gem!

Discover the City of Lights

Top beaches from Karachi

Energy is embedded in the building blocks of the city of Karachi. Crowded, chaotic, and echoing. Traffic, and more contribute to the life of this city. However, the summer season will be extremely humid and scorching. To get some relaxation from the heat, Mother Nature showed generosity towards the city of lights in the form of proximity to the sea.

The summer beaches of Karachi are blessed by the city and are a great attraction for residents and visitors alike. There is something unique about the beaches of Karachi, it feels almost like a seagull when you are just standing on the shore looking at the crystal blue waters.

So, we've handpicked some of the best beaches in Karachi to help you select the one that best fits your needs.
